

Introducing the 8" & 10" recessed FRP columns

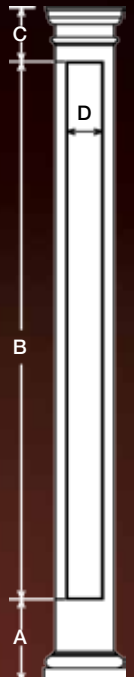

These new recessed panel columns are made from durable FRP material and have the same structural capacities as our standard FRP square columns.

Available in:

- 8" and 10" widths
- 8', 9' and 10' lengths
- Can be cut down approximately 6" (using a Tuscan cap & base)

These durable columns will add beauty and value to any project.
